Education

Shobhit Institute of Engineering & Technology

Aug. 2023 – June 2027

Bachelor of Science in Computer Science

Meerut, Uttar Pradesh

Relevant Coursework: Data Structures, Algorithms Analysis, Software Methodology, Database Management, Computer Networks, Internet Technology, Web Development, Computer Architecture

Experience

Data Manager Intern

June 2025 – July 2025

Archirush Technology Pvt. Ltd. (DezignBank) – Noida, India

Onsite

- Designed and customized **frontend layouts using Webflow**, improving the company's digital presence and user experience.
- Developed **interactive data visualizations** by processing organizational datasets with **Python (Pandas, Matplotlib)** to support leadership in data-driven decision-making.
- Collaborated with the **Partner & Lead Developer** to streamline reporting and integrate analytical insights into strategic planning.
- Demonstrated strong professionalism, ensuring **data confidentiality and accuracy** throughout the project.
- Received a stipend of ₹25,000** for the 2-month internship, recognizing high-value contributions in both technical and analytical domains.

Projects

Recipe App (In Progress) | Flutter, Dart, Firebase (Planned)

July 2025 – Present

- Learning **Flutter & Dart** by developing a cross-platform **recipe app** with a modern, mobile-first design.
- Planning integration with **Firebase** for authentication, cloud storage, and personalized recipe management.

Aksh – Voice-Controlled Virtual Assistant | AI, Python, Web Integration

Jan 2025 – May 2025

- Built a **voice-controlled assistant** in Python to automate laptop tasks such as calling, messaging, YouTube control, setting alarms, and app/website management.
- Designed and integrated a **web platform hosting six interactive voice-based games**, enhancing user engagement.
- Implemented features like **internet speed checks (without APIs)**, jokes, poems, and real-time voice interactions.
- Secured **1st Rank at Project Expo 2025 – Innovation & Showcase (Shobhit University)** for innovation and practical impact.

Technical Skills

Language: Javascript, TypeScript, C, C ++, Python, PHP, Dart

Developer Tools: VS Code, Jupyter Notebook, Git, GitHub, PhpMyAdmin, MS Office Suite

Technologies / Frameworks: React.js, Next.js, Tailwind CSS, Node.js, Webflow, Flutter (Learning)

Database Management: MySQL, MongoDB

API / Communication: Speech Recognition, pytsx3

Other: NumPy, Pandas, Matplotlib, OpenCV, Data Structures & Algorithms (C), Object-Oriented Programming (C ++)

Leadership / Extracurricular

Hackathon & Coding Competition

February 2024

Tech Udyam 2024

IPEC, 2024

- Top 5 at Tech Udyam 2024, hosted by Meerut Tech Connect, for delivering a high-impact solution with strong technical execution.

Hack Heist 2024

MIET, 2024

- Top 10 at Hack Heist 2024, organized by Google Developer Group; demonstrated innovation, collaboration, and rapid problem-solving.

Internal Smart India Hackathon 2024 Winner & 2025 Winner

Shobhit University, 2024-25

- Awarded first place for building an Indian Sign Language (ISL) learning platform.
